# Basement Signs

🅒 In the current building, we still have the original signs that were placed in the basement. We have removed these from the building and cleaned them. They will be saved when the building is demolished. The signs are:

- 🅒 01 – Boys and Girls Offices, Science Room and Hydrants
- 🅒 02 – Future Extension
- 🅒 03 – Handicraft and Domestic Science Room Service
- 🅒 04 – Rising Main
